

## **GREENHEAD COLLEGE**

### **LEARNER SUPPORT FUND**

**2008/09**

1. The Learner Support Fund (LSF) exists to help students aged 16 and above with financial support that enables them to continue with their education.
2. All students, who are eligible, can apply for the Education Maintenance Allowance, which is a government funded initiative.
3. Students receiving EMA are eligible to apply for LSF, but the fund must be used to meet special needs over and above that which EMA is expected to fund.
4. The LSF, in particular, can help students who for whatever reason have left the family environment.
5. Each case will be judged on its merit by the LSF panel; which is made up of the Vice Principal (Guidance) and the College Business Manager.
