

Greenhead College Corporation

Search Committee minutes

21 March 2011

Present:

Martin Rostron, Eva Lambert and Clinton Burhouse

Apologies

Apologies were accepted from Charles Kaye, Liz Ryan and Ranjit Uppal.

Minutes of previous meeting

The minutes were accepted.

Committee Membership

The Chair advised that Liz Ryan would be stepping down as a member of Search; thanks were expressed to Liz for her input and long service on this committee.

The Committee discussed the appointment of a replacement member; it was felt that Roger Bryant would be strength within the group. The Chair would approach Roger to seek his view on appointment.

Recruitment of a 'faith' Governor

The Clerk advised that email correspondence had been forwarded to Simon Moor, the newly appointed Vicar of Huddersfield advising him that there was a vacancy within the Corporation and a brief outline of the commitment. A response had not being forthcoming; it was decided that a hard copy of this documentation by surface mail may provoke a reply.

Consideration of reappointment of a member (parent to external governor)

- *Discussion regarding unsuccessful parent governor applicants*
- *Consideration of applicant sourced via 'School Governor One Stop' shop*

It was felt that the vacant position should continue to be held by a member of the faith community and as such, additional consideration to the unsuccessful parent governor applications and the application from School Governor One Stop Shop was not felt necessary.

External advert

The current advert had been included in the papers; it was not felt appropriate or necessary at this stage to place this externally.

Any Other Business

The Clerk advised that one of the newly appointed student governors was the son of the newly appointed parent governor (Martin Pearmain). Discussion and consideration was given to any possible conflict of interest, and whilst viewed by members as unusual, it was not felt that this should not be ratified.

Meeting closed at 4.20pm
