

Dear all,

Thank you for your understanding over the switch to remote learning during the current cold snap. I hope lessons are going well.

Here are this week's messages:

Industrial action – Wednesday, 15 and Thursday 16 March 2023

On 24 January 2023, I wrote to all students and parents/carers to explain that we have been informed by the National Education Union (NEU) that their members will be taking part in a day of industrial action across **four dates in February and March 2023**. This national action is in response to a dispute between the NEU and the Secretary of State for Education, and not against Greenhead College specifically.

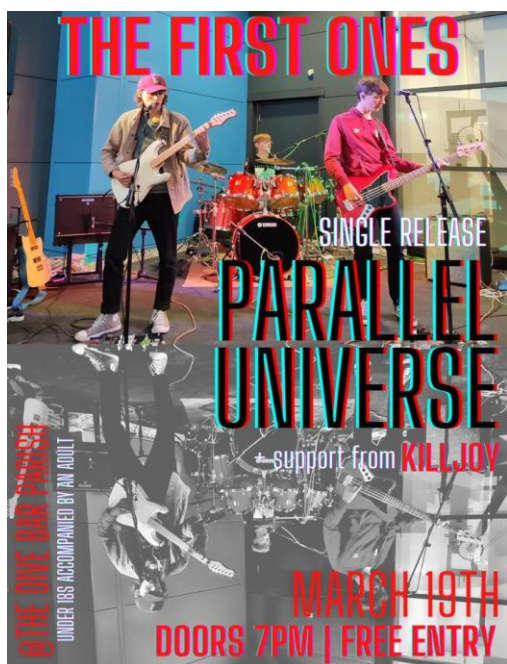

We are aware that 53 members of our teaching staff are NEU members and could potentially be participating in this action. We have decided that the College site should **remain open** on the **above dates** for both students and staff. Lessons and enrichment activities will run wherever possible. A small number of teaching staff who are not taking part in industrial action but who are unable to get to work due to difficulties arranging childcare will live-stream their lessons. Students will be notified of this directly by teaching staff.

Please also note that the College's library, study area, study centre, and additional learning support and careers departments will be available to students. On site catering provision and social spaces will also be available.

No further strike dates have been announced by the NEU at this stage.

If students and parents/carers have any questions or concerns about the day, they should speak to their Personal Tutor in the first instance.

Single release

Students and parents/carers may like to be aware that first-year A Level Music Technology and BTEC Performance students Doug James (guitar and vocals) and Will Wright (drum and vocals) in their three-piece band **The First Ones** have finished recording and mixing their new single **Parallel Universe**.

They will be loading the new single on all major music platforms shortly.

Best wishes to the band and good luck with the single!

Enrichment scoreboard

Here's our latest enrichment scoreboard. Many congratulations to all involved, including our players of the match. Students and parents/carers can follow the progress of our teams on Twitter: [@GreenheadSport](https://twitter.com/GreenheadSport).

I have also attached a picture of the winning men's football team, who now progress through into the Association of Colleges National Semi Finals of the Cup after winning 13-12 on penalties. The men's and women's hockey team are also through to the National Semi Finals and will play their games next week.
