Summer 2026 A-Level Results Day
Thursday 13 August 2026

A2 students' results will be released online via Cedar. Locate the green menu on the left side of the screen, click on the **A+ Exams and Results** link, and select **Exam Results**.

Please note, however, that due to the number of students accessing their results at this time, you may experience a short delay when attempting to log in. We recommend that you come into College to collect a physical copy of your results; these will be available in Hirst from 8.00am. Results can only be issued to you, and you must bring your College ID card and lanyard.

Your subject results will be reported as an **overall** grade. Information regarding the marks you have achieved and subject grade boundaries will also be available once published by the exam boards.

After checking your results, please log on to your UCAS Hub as soon as possible to check your university place.

A hardcopy results slip will only be available if you attend college on Results Day. Please take a screenshot, print or save a copy of your Cedar results page as confirmation of your achievement. As with the other College systems, you will only be able to access Cedar for a couple of weeks following Results Day so please access and save your results as a priority.

Most grades will be confirmed to universities automatically via UCAS, but if you need a copy sending directly to a university, email exams@greenhead.ac.uk and we'll be happy to help. Exam board certificates will be available later in the year (please see below).

If you achieve what you're hoping for, congratulations and well done!

Results Day Queries: Having received your results, you may wish to speak in person to us, our Careers team or a senior member of staff. Do come into college to obtain any guidance you might need. Please ensure you wear your student lanyard.

Post Results Services: If you have concerns about any of your grades and think a post result service might be useful, it is vital that you speak to us as soon as you can. There are external deadlines for post results services, including access to scripts and reviews of marking. Full details of the services that will be available can be found on the Exams section of the College website, found here.

All applications for post results queries are administered through the Exams Office, which will be open as follows:

Exams Office Opening Hours
